

DRIFFIELD CHAMPIONSHIP SHOW 2013

Anne Pickburn

Thank you for such a good entry, some dogs I liked were put off by the wind and also the creaking of the tent. Thank you to my two stewards.

MPD(6,2) 1 Horne's Chanceinns Bonkerz. Gold with good head and expression. Well placed shoulders, good topline. Good shape which he kept on the move, liked his tail set. Moved out well, for best puppy dog I felt he lacked the maturity of the puppy class winner. 2 Andersson-Hamill's Tantras Alexander, black and white another nice puppy. He is a nice size for age, good head and expression. Well bodied for age. Just felt the winner was more settled in movement on the day. 3 Purvis & Fenton's Auric Stunning Prince.

PD (6,3) 1 Hall & Kare's Chic Choix Roof of the World, Gold heavily coated well presented puppy who is very well bodied for age with good balance. He has a lovely head, good pigment. Coped well with the ring surface moving out strongly and covered the ground well. Scored in maturity over the best puppy bitch. 2 Taylor & Johnson's Chanceinns Sir Gino avec Sifrason, Gold, another nice puppy. He however didn't like the wet grass as much as the winner. Nicely proportioned with good shoulders and front. Pleasing topline and tail set, moved out well but without the enthusiasm of the winner. 3 Gillman's Mytilene Rupert De Bear.
