BEST IN SHOW & BEST PUPPY IN SHOW
WILL BE JUDGED AFTER CLASS 21

Judges CV

My husband Andy and I got our first Lhasa Apso about 30 yrs ago after losing our Lab x retriever. I started to go to fun and limit shows with her and there I met the lovely Hetti Wysoki (Sursumcorda) who was the best mentor I could have wished for, my passion for the Lhasa Also had begun and I went head on into it.

We have so far bred 3 UK champions, two others gaining CC's, Irish Champions & exported all over the world, including Australia, where "Miss Hayley" gained her title. Six years later her son gained his Aus Ch title by 9 months old then came to live with me here in the UK gaining his J.W & Shcm & I am proud to say three of our Apsos have represented the breed at the J.W semi finals in London.

I am really looking forward to judging the breed at NOELAC'S Open show.

16. **DOGS IN VEHICLES ON HOT DAYS**
Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
